Dear Ms. Dortch,

I am writing to request your recommendation for approval of the pending application for SBC for long distance communication services in Michigan.

Approval by the FCC will allow SBC to compete in the telecommunications market for long distance service. This is a highly competitive business and, given the numerous benefits SBC has to offer it's consumers, SBC will bring that same level of commitment to the long distance market.

Thank you in advance for your consideration in this matter.

Sincerely,

Glenn S. Anderson
